

UltiChem™

CG3622A

13" 20 Mil Blended Neoprene flocklined gloves offering enhanced protection is achieved through the double-dipped coating. An embossed diamond pattern ensures excellent grip and a pure cotton flock lining effectively absorbs sweat, maintaining dry and cool hands.

Applications

- Handling corrosive substances and hazardous chemicals
- Operation that involve exposure to oils, greases, and other fluids
- Janitorial Services
- Laboratory Work
- Outdoor work
